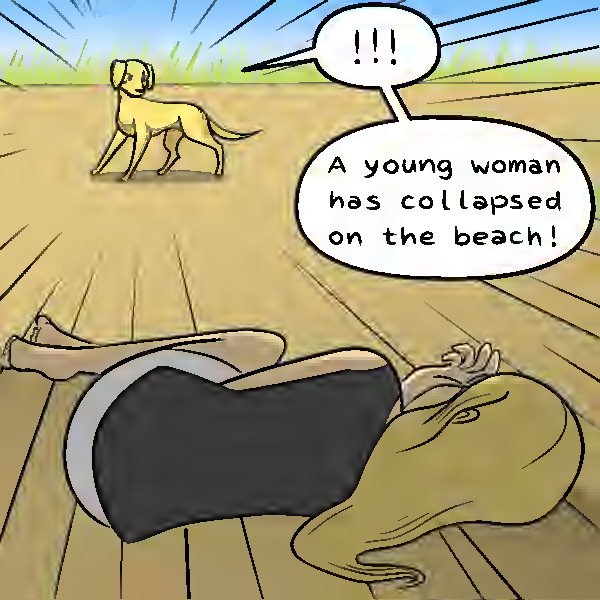
WEB TOON

I am Lifeguard Dog.
As the guardian of this beach, it is my duty to protect and serve those in need.

That shark attack years ago may have left me blind, but I don't need my sight to save lives.

I can sense danger when it comes... I can *feel* it.

Ah..?
SNIFF
The scent of distress!



!!!
A young woman has collapsed on the beach!

Remain calm, ma'am! Help is on the way!
